FINANCIAL REPORT

Congratulations and welcome to our new Board Chair, Megan deSola

Megan has been a member of the FTEF Board of Directors since 2015, during her tenure she has served on our Executive Committee since 2018, helped plan eight of our Annual Dances and chaired the Sponsorship and Teacher Grants committees. Megan is the CEO of Viox & Viox, Inc. She and her husband Doug have lived in Fort Thomas since 2003 and have three children, Will (HHS), Molly (HHS), and Quinn (HMS). We are excited to have Megan lead the group this year!

Letter from the Chair

Friends,

When FTEF began 2019-2020 with the theme of **"What If"**, I do not believe anyone could have foreseen what the school year would look like! However, despite the unprecedented challenges faced by this COVID-19 global pandemic, the resulting economic uncertainty, the social unrest, and the in-home challenges faced by schools transitioning to Non-Traditional Instruction, you, our donors and friends, continued to rise to the challenge and support our children! For that, FTEF remains steadfastly grateful.

Unfortunately, this Spring looked a little bit different for FTEF, as I am sure it did for all of you. FTEF made the difficult decision to cancel the Annual Dance, which would have been a reboot of one of my favorite nights of the year. Additionally, FTEF cancelled the Alumni Dinner but still made sure to celebrate our honorees. Finally, the FTEF Grant Patrol looked a little bit different this year as well; in lieu of in-person meetings, we held surprise Zoom calls with the winning teachers to share the good news! All of these decisions were made easier knowing we had your support to continue to do the best we can to improve the educational experience and futures of our kids.

Speaking of the education of our kids; the end of this year was most certainly a challenge as teachers, parents, and students worked to figure out how to educate from a remote environment. However, the creativity and resiliency of our district's teachers, administrators, students, and the parents, was on full display as was the commitment to a state of the art education. This success was made possible by our ability to transition to at-home instruction by taking advantage of being a 1:1 district. Your past and continued financial support to FTEF helped to make that happen.

We were thrilled this year to continue that support by fulfilling **18 teacher grants totaling more than \$51,000!** We could not have done that without you, our gracious donors. Additionally, we continue to successfully execute the Campaign for Johnson raise the final amount needed to ensure Johnson Elementary is the best educational environment possible for our students.

Despite the challenges of 2019-2020, we are excited for the future with you! This next year 2020-2021, as outgoing Chair, I am confident we are leaving the organization in the capable hands of Megan deSola (incoming chair), who has been on the FTEF Board for years and volunteered in numerous capacities. Be on the lookout for many fun opportunities we are introducing to celebrate our **20th Anniversary** supporting excellence in education.

Thank you for all that you do to ensure the success of FTIS and FTEF. **Thank you for your support, your volunteer hours, your donations, and your ideas** to make sure the answers to our **"What If"** question are limitless!

Sincerely,

Kevin N. Duke

Tradition Never Graduates

We are dedicated to offering our HHS Alumni with opportunities to gather and connect, whether here in Fort Thomas or virtually where you live. Just because we've left the Nest doesn't mean we don't still share a passion for Highlands and each other. Check out our website and social media pages to stay in touch. Make sure we have your updated information so you can receive our bi-annual Newsletter and get other important updates on what's happening around the Nest.

STAY CONNECTED!

Homecoming Tail Feather Tailgate

We had a great Tail Feather Tailgate this year with several classes planning a reunion gathering on the front lawn. Once again special thanks to fellow alumni Rob Pinkston (Pinky's Pit) and Josh McIntosh for their contributions of food and music.

Alumni & Teacher of the Year Dinner

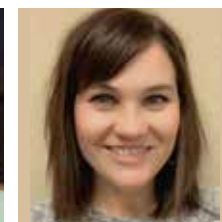

We were disappointed that the COVID19 pandemic caused us to cancel the HHS Alumni Association Alumni & Teacher of the Year Dinner this year. We look forward to celebrating them at our next event. In the meantime, please check out our website for some fun videos honoring each of these special people and be sure the congratulate them!

We are so thankful for all of the families that choose to cheer on the Birds with us last season. Not only do you help raise important money for our schools and students but we have a good time too.

BluebirdPalooza!

Our 1st ever indoor music festival had to be cancelled due to COVID 19 restrictions. **Special thanks to Newport Car Barn, Floyd and the Walkman and Josh McIntosh & Co.** for agreeing to change the date with us! The additional time is giving us the opportunity to think of even MORE fun ways to party together.

Annual Appeal

The Annual Appeal is an important part of our fundraising efforts through the year. It is the only time that we specifically ask you to donate to our schools with nothing but satisfaction that you're helping continue our tradition of educational excellence in return. This ensures that each dollar you donate goes back to our schools and students! Every dollar raised during this campaign is used to fund important resources through our Teacher Grant Program and ongoing capital projects.

Ways to make your **contribution GROW**:

1891 Society Leave Your Legacy through Planned Giving

Reasons to Consider Legacy/Planned Giving:

- A meaningful, long-term impact to the Foundation, your school and our community.
- A powerful way to support the Highlands Tradition of Excellence.
- Anyone can make a planned gift and make an impact.

Consider a gift to the **1891 Society**.

The 1891 Society recognizes and honors persons who have remembered the FTEF in their wills, trusts, or other charitable planned gifts as part of their estate plans.

FTEF Endowment

The Key to BIG Things for the Future

- Property acquisition to meet ongoing demand
